

When We heal the earth, We heal our selves

# The Climate

## From the Editor s` Desk:

**Press for Peace** (PFP) is an independent, non-partisan and non-governmental research and advocacy organization. It was established in 1999 as a platform to provide advocacy, research, education and networking in peace, human rights and environment related issues. Together with other civil society organizations around the globe, Press for Peace (PFP) concentrates on fundamental issues of today and identifies ways and means to address these issues.

It is quite self-evident that the whole humanity is, today, facing an unprecedented situation with respect to the global conditions of environmental degradation .The Overarching goal of Press for Peace is to make the use of Natural Capital Sustainable. Press for Peace is working hard to make the environment a better place for all of us. Wherever you live, whatever your interests, environmental issues affect us all.

Press For Peace has published first issue of its monthly magazines "*The Climate*" and which could be accessed at [www.pressforpeace.org.uk](http://www.pressforpeace.org.uk).It is a kind of unique effort itself and it will be publish on monthly basis in future. *The Climate* covers different environment issues and wildlife stories. In every issue, you can enjoy the beauty of nature through our spectacular wildlife photography and informative features by leading environmental and wildlife experts.

*The Climate* is for you ,all the nature lovers and if you have any research work ,news or unique photographs related to wildlife and environment issues of Jammu and Kashmir and Pakistan share your experiences with us and give us an opportunity to publish your work in "The Climate".

Let us join hands to save and protect our mother Earth.

**Ejaz Ur-Rehman**

Editor -The Climate
